No application form will be registered until payment of the deposit is received.

### Fee For Charter Boats

### Availability

- Boats will be available from July 26<sup>th</sup> 2010 to August 8<sup>th</sup> 2010 inclusive (or as otherwise requested).
- At the end of the event, the boat charterer shall rinse the boat sails and mast, take the sails and mast down and have the boat inspected and accepted by the Boat Damage Assessment Committee (BDAC) representatives prior to storage. Following completion of the storage, Hobie Fleet 252 will refund the damage and loss deposit.

### How To Reserve A Charter Boat

Follow these steps to reserve your boat:

- Complete the official entry form and boat charter form and return it to Hobie Fleet 252 along with your deposit before April 15<sup>th</sup> 2010.
- You will receive an email confirmation from Hobie Fleet 252 upon their receipt of the form and deposit and the charter boat will be confirmed at such time.

### Damage and Loss

- A refundable boat damage and loss deposit in the amount of USD\$500.00 will be required and must be paid in cash at registration prior to receiving the charter boat.
- Once boat allocation has been done each helmsman and a BDAC representative will undertake a joint inspection of the boat.
- If damage or loss to the boat occurs, the helmsman must notify a BDAC representative who will make an initial assessment to determine whether sailing will continue or repairs are required immediately.
- At the completion of the SP and HC events, each boat shall be inspected by the helmsman and representative(s) of BDAC.
- Should repairs be required the cost of such repairs shall be determined by the BDAC and repairs will be effected by the local Hobie Cat representative, Tradewinds Marine Limited.
- Where damage repair costs are less than the boat deposit the boat damage deposit will be debited and to keep racing the sailor will need to replenish the boat damage deposit.
- Where damage repair costs are greater than the damage deposit, the boat charterer shall make immediate payment to Hobie Fleet 252 for the balance of costs due. To keep racing, the sailor will need to reestablish a USD\$500.00 boat damage deposit.

- In the event a boat becomes damaged beyond immediate repair no replacement boat will be made available.
- The boat charterer takes full responsibility for repair or replacement of the chartered boat as determined necessary by the BDAC.

### Insurance and Responsibility

- In case of a theft, a declaration will have to be filled with the local police authorities and signed by the boat charterer and the Hobie Fleet 252 representative.
- In the event of loss, theft or write-off as determined by BDAC, the boat charterer shall be responsible for payment to Fleet 252 of the current market value of the boat (currently FJD20,000.00) unless covered by insurance.

### Inclusions/Restrictions

- Each charter boat will be supplied complete with all equipment.
- No holes may be drilled in the charter boat unless you have received the permission of Hobie Fleet 252.
- Additional class legal equipment may be added to the charter boat as long as there is no permanent effect on the charter boat.
- You may add non-permanent telltales to the sails that do not damage the sail. No holes may be put in the sails.
- Charter boats may have event sponsors' logos applied to the hulls and/or sails. These logos are not to be altered or removed prior to or during the event. No additional logos may be added to the charter boat hulls or sails.
- You may not use your own sails on the charter boats without written approval of the event organizers, Hobie Fleet 252 prior to the event.
- After each race, the chartering skipper and crew will be responsible for the storage of the boat sails and blocks.
